About the PRATIBHA Webinar Series

To commemorate Azadi ka Amrut Mahotsav, 75 years of Indian Independence and 40 years of DBRAOU, Department of Public Administration, DRBRAOU is organizing Pratibha Webinar Series, Civil Services Orientation for the students from September 2021 to August 2022.

As we are aware that the process of governance involves several sets of activities to deliver effective services to people and civil services play a pivotal role in providing shape to policies that reflect people's needs and aspirations. In the modern administrative state, public administration has become so significant that our development, upliftment and progress depend mainly upon the efficient functioning of civil services that are the bedrock of public administration. Civil services have assumed more important role in democracy to ensure good governance, both in developing and developed countries. This is the reason why majority of the students are inspired to aspire for Civil Services. But due to lack of right guidance at the right time only few students are successful. Especially students from the rural and tribal areas are at disadvantage.

In order to bridge this gap, this webinar series is initiated with the Senior Bureaucrats, Academicians and Civil Service Toppers as the Resource Persons/Speakers on the contemporary topics each month. Student Community from all the disciplines and sections will find this webinar a great relevance.
