Project
Seedling
Skill Dev. Center

Training & Development:

- Bootcamps at premier institutions, including **hands-on projects, soft skills, language training, and mental resilience**.
- NSQF-aligned certification credits at every stage (District → State → Regional → National) to add tangible career value.
- Exposure to **industry leaders, global trainers, and WorldSkills alumni**.

Registration Details:

- **Platform:** Skill India Digital Hub (SIDH)
<https://www.skillindiadigital.gov.in/account/register>
- **Deadline:** 30th-September-2025 15.10.25

For Colleges:

- Encourage eligible students to register on SIDH.
- Appoint **faculty coordinators and student ambassadors** to drive internal mobilization.
- Provide venues for awareness sessions and internal selection rounds if feasible.
- Participation strengthens institutional placement records, brand visibility, and the opportunity to nurture national skill champions.

Attachments:

1. List of **63 Skill Categories** covered in India Skills 2025.
2. NSQF-aligned certification details.

We request your institution's active engagement in this flagship initiative to make vocational skills aspirational and enable students to represent Telangana on the **national and international stage**.

With best regards,

Yours faithfully,

M. Dana Kishore, IAS
Principal Secretary,
Labour, Employment, Training & Factories Department,
Government of Telangana

To
Prof. Ghanta Chakrapani
Vice – Chancellor
Dr. B. R. Ambedkar Open University
Government of Telangana

The Department of Labour, Employment, Training & Factories (LETF), Government of Telangana, invites your esteemed institution to participate in the India Skills Competition 2025 – Telangana, a flagship initiative under the "Skill India" program, affiliated with WorldSkills International and organized by MSDE / NSDC.

This competition provides students with a pathway to showcase their talents nationally and internationally, gain exposure to industry experts, and receive NSQF-aligned certification at every stage. It also strengthens the visibility and reputation of participating institutions.

Competition Overview:

- Eligibility: Youth aged 16-25 (born on/after 01-Jan-2004 for general skills; on/after 01-Jan-2001 for advanced tech skills).
- Skills Covered: 63 trades across six major sectors: Construction & Building Technology, Creative Arts & Fashion, ICT, Manufacturing & Engineering Technology, Social & Personal services, Transportation & Logistics (see enclosed list).
- Competition Flow:
 1. Zonal Competitions (4 zones): Kakatiya, Charminar, Basara, Palamuru; Winners participate in a 1-week bootcamp for priority skills.
 2. State Level: Winners from Zonal Competitions, top performers shortlisted for final training.
 3. Regional Level (South Zone hosted at ShantiVanam, Telangana): Focused training before regional competitions.
 4. Advanced Training: Specialized mentorship with industry and India skills experts.
 5. National Finals: State finalists compete at India Skills National, with the opportunity to advance to WorldSkills Asia & WorldSkills International 2026 in Shanghai.

Training & Development:

- Bootcamps at premier institutions, including hands-on projects, soft skills, language training, and mental resilience.
- NSQF-aligned certification credits at every stage (District → State → Regional → National) to add tangible career value.
- Exposure to industry leaders, global trainers, and WorldSkills alumni.

Registration Details:

- Platform: Skill India Digital Hub (SIDH)
- Link: <https://www.skillindiadigital.gov.in/account/register>
- Deadline: (15-10-25)
