#### 4. INSTRUCTIONAL SYSTEM

The University follows the face to face instruction in regular workshops .The University also follows the multimedia approach of instruction, which comprises:

1. Self-instructional printed course material
2. Assignments for assessment and feedback
3. Audio-video programmes
4. Radio Lessons Broadcast
5. Tele-conference with two-way audio and one way video.
6. Workshops

- **Self-instructional Printed Material:** The printed self-instructional study material for both theory and practical components of the programme will be supplied to the learners in the form of books for every course for all the semesters.
- **Audio-visual Material:** The learning package contains audio and video cassettes, for better clarification and enhancement of understanding of the course material given to the learner. A video programme is normally of 25-30 minutes duration. The audio and video cassettes are listened to and screened at the programme centres respectively, during specific sessions, which are duly notified for the benefit of the learners.

In addition to learning support at the Programme Centre, Selected stations of All India Radio also broadcast the audio programmes. The information is provided through SMS only to the learners periodically.

- **Programme Structure:** Programme structure for admitted candidates into various areas of specialisation viz. Visual Impairment (VI), Hearing Impairment (HI), &Intellectual Disability (ID) is given in pages 13 &14.
